CAPE VINTAGE PORT | 2018 | Foot stomped | Two barrels

Our Port was made in true Beaumont style... stomped by foot! A blend of Tinta Barocca and Pinotage picked at 26° Balling, crushed by foot in open concrete tanks and matured in French barrels. Intense crushing of the skins resulted in aromas of cinnamon, blueberry and blackberry combined with a focused tannin structure. Unfiltered and unfinned as per the 'traditional' style, with minimal sulphur use.

RATINGS & REVIEWS | We make too little of this to be rated. Platter gives it 4.5 stars. We love celebrating the traditional style of Port and the celebration of wine. That is why we make it.

FOOD PAIRING | Goes well with dessert, especially dark chocolate or fruit desserts, walnut tart, nuts or fruity Christmas cake. Another great suggestion would be hard, flavourful, ripe cheeses.

VINTAGE CONDITIONS | Reasonable temperatures during the final ripening stages allowed grapes to reach perfect ripeness without losing flavour and acid.

VINIFICATION | Grapes were traditionally stomped by foot in open concrete tanks to allow for maximum colour and tannin extraction. Inoculation was done after two days of skin maceration. After a few days of regular punching down the wine was hard pressed at 11° Balling and fortified at 9° Balling. Maturation took place in 10th filled French Oak barrels for two years. No fining and no filtration.

MATURATION | Three years of maturation in 10th filled French oak barrels.

AGEING POTENTIAL | 10-15 years.
