VITRUVIAN BLEND | 2014

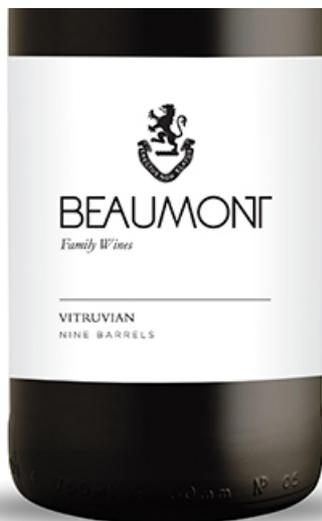

Why Vitruvian? The key component of our 200 yr old water mill is known as a Vitruvian Mill. We wanted to connect this unique wine to the history of the farm. The Beaumont family have been farming the vineyards on the farm since 1974 and it is with this experience and understanding of our unique terroir that we decided to produce this special blend. Our philosophy with all our wines is to produce a pure expression of place. We prefer elegance over power and want this blend to be the sum of its component parts. 50% of the 2014 blend was co fermented to allow the varietals to integrate from a very early stage.

RATINGS & REVIEWS | The first vintage produced from the 2006 crop and this wine received fantastic reviews. Elegance was one of the main factors behind this blend. Four and a half stars for the 2012 vintage. Vitruvian is only produced in the best years.

FOOD PAIRING | Coq au vin, Italian sausage pasta, or a great piece of steak with spices such as cumin, pepper and coriander enhancing the natural spice of the wine.
